Questionnaire**

Because we value our students and the investment into our students greatly, we want to partner in the best possible way; not only for the students, but those working with the students. We believe this is simply a guide to help foster that relationship between student, volunteer, and faculty.

- Please share what is your vision or desire in volunteering and working with high school students?

- What are your expectations of the students, the overseeing faculty, and yourself?

- Please share three references of non-family that know you personally and your desire to work with youth
