Our mission: Helping spiritually confused people become passionate Christ-followers

Why are we here? We consider it God's directive for us to establish and grow a culturally relevant, evangelical church in Plymouth, Wisconsin, that will connect with a regional population of people who are disconnected spiritually and do not have a church family. It is our desire to help them on their spiritual journey to meet Christ and become wholehearted followers and become a part of the NLCC church family! We are also a church that is involved in a broader movement of church planting.

Led by Dean & Joni Dekker, this book study will help you see your gifts from God's perspective, and it will change the way you see generosity. You can also participate in this study online! Contact **Diana Baus at 920.579.1471** if you're interested in this option or sign up for the Sunday morning study on your **tear off panel** to the right or at the **Welcome Desk**.
