New Life's Mission:

Helping spiritually confused people become passionate Christ-followers

New Life's Values:

We value loving God and loving others. We see the best way to live out these values is to invite people to experience life differently:

We invite you to **RISK** yourself by **engaging** more with God and others

We invite you to get **MESSY** with God and others, because you have to get dirty to get clean

We invite you to **EXPLORE** more of God's **story** and one another's story

We invite you to see **BELOW THE SURFACE** to discover God's **heart** so you can see the **heart** of others

We invite you to **STEP BEYOND** what is comfortable to be **generous** in serving God and others

As you live this out, you will experience freedom in your life and be a light to others
